The transaction size of the acquisition of assets

The maximum transaction size calculated from the total value of consideration criterion. By referring to the consolidated financial statements of the Company for the latest period ending on September 30, 2021, equal to 117.11%, which when combined with other acquisitions in the past 6 months. According to the total value of consideration criteria, the transaction size is 128.58%, therefore it is considered a type 4 transaction according to the Acquisition or Disposition Transaction Notification or indirect listing with the stock exchange (Backdoor Listing) because the transaction size exceeds 100%.

However, the acquisition transaction meets 4 criteria of exemption as refer to the Notification of the Board of Governors of the Stock Exchange of Thailand Re: Disclosure of Information and Other Acts of Listed Companies Concerning the Acquisition and Disposition of Assets B.E.2547. As a result, new securities listing are exempted as per the following reasons:

1. The acquired business is similar or support existing business.
2. Human does not have any policy to make a significant change in its core business.
3. The group of companies acquired is qualified for listing on SET.
4. There is no significant change to the board of directors, the Company's executives and the controlling power of the company, or the controlling shareholders.

Internal Control Report of DataOn Group (Details in Enclosure 14)

DataOn Group has been audited for its internal control systems from RSM Risk Advisory Pte Ltd. It has been identified as low and medium risk issues and there is no high-risk issue. The issues that may affect are as follows:

1. The provision for doubtful accounts should be assessed regularly.
2. On-Boarding and On-going Assessment should be established in a formal format.
3. The provision for employee benefit liabilities under labor law should apply the accounting standard on employee benefits and provide an annual assessment.

The Executive Committee has an opinion that DataOn Group will take corrective action and implement the Company's internal policy and control system. The management of DataOn Group will work to resolve the issue within April 2022.

The independent financial advisor has the opinion that there is no material risk that will affect the Company's ability to maintain the listed company status.

The Notification of Connected Transactions

Viko Technologies and Mr. Benjamin Ho Chi Wai will hold the Company's ordinary shares for 21.61 % of paid-up capital and appoint a seller's representative, Mr. Gordon Enns, to be the Company's director. In addition, the size of transaction equals to THB 1,991.53 million or 218.73% of the Human's NTA as of September 30, 2021. The stated value is more than 20 million baht and more than 3% of net tangible assets.

Therefore, the Company has to disclose the transaction information to the Stock Exchange of Thailand and must be approved by the shareholders' meeting with a vote of not less than three-fourths of the total votes of the shareholders attending the meeting.

 - Earnings per share dilution decline by 20%.(Please see details in Enclosure 4 and 5).

Reasonableness of the capital increase

1. The acquisition value of the DataOn Group amounted to THB 1,991.53 million. The criteria used to determine the total value of consideration is Discounted Cash Flow method is appropriate.
2. The determination of payment method by issuing not exceed 187,443,576 ordinary shares at the offering price of THB 10.60 per share to seller is appropriate . Because it is the offering price of newly issued ordinary shares that is not lower than 90%of the market price of the Company during the past 15 working business days before the resolution of Board of directors agreed to propose in Extraordinary General Meeting no.1/2022 and it is not a low price offering.
3. Does not result in any material changes in the structure of shareholders and the control power of the Company. Since Mr. Soontorn Dentham is still a major shareholder of the Company and the addition of one director who is a representative from the seller, namely Mr. Gordon Enns, such director has no decision-making power in business operations.
4. Mr. Gordon Enns is as the founder and Chief Executive Officer of the DataOn Group for more than 20 years. He has a high level of knowledge and expertise in the Human Resource Software business which will help take care of the development of software and products of the Company.
5. The issuing new ordinary shares instead of paying some cash, the Company will not be burdened with financial costs.
6. Creation the benefit to the Company both in terms of increasing revenue and profit from the consolidated financial statements. This is because DataOn Group has consistently had profitable results.

The Board of Directors give an opinion that it should propose to the shareholders' meeting to consider and approve the allocation of 187,443,576 newly issued ordinary shares with a par value of 0.50 baht per share to specific investors (Private Placement). Offering 10.60 baht per share as compensation for the purchase of shares of companies in the DataOn Group and giving power to Executive Committee and/or Chief Executive Officer or Managing Director has the authority to consider specifying details, conditions and any action necessary and related to the issuance and allocation of shares such capital increase, including the change in the offering period, subscription, terms, conditions and other details. Give the power to signing relevant documents and take various actions as necessary related to issuing and allocating new ordinary shares this includes applying for permission to sell newly issued shares to specific investors to the Office of the SEC regarding to the Capital Market Supervisory Board Announcement TorJor. 72/2558 Re: Approval for listed companies to issue newly issued shares to the private placement filing to list the newly-issued ordinary shares as listed in the Stock Exchange and provide information and documents to the Department of Business Development, Ministry of Commerce and other related agencies.
