Privacy Policy for Customers

Humanica Public Company Limited (hereinafter "**Company**") aims to protect your Personal Data as you are the Company's customer. Your Personal Data will be protected under the Personal Data Protection Act B.E. 2562. The Company as the Data Controller has the legal duty to inform you via this document of the Company's purpose to collect, use, and/or disclose Personal Data, including to inform you of your rights as the data subjects. The contents are as follows:

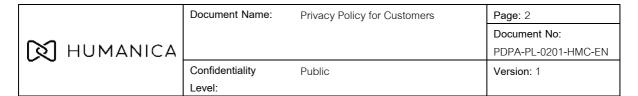

1. Definitions

In this privacy policy, the following terms shall have the following meanings:

Terms	Definitions
1. Personal Data	Means information related to a natural person which can be used to identify such person whether directly or indirectly. This excludes information relating to deceased persons.
2. Sensitive Data	Means Personal Data relating to nationality, race, political
	opinions, religious, philosophical, or spiritual beliefs, sexual
	behavior, criminal records, medical records, disability, trade
	union information, genetic data, biometric data (such as face
	scanning, iris scanning, or fingerprints) or other information
	which similarly impacts the data subjects as determined by
	the Personal Data Protection Committee.
4. Processing	Means the collection, usage, and/or disclosure of Personal
	Data.
5. Data Controller	Means a natural or juristic person who has the authority to
	decide on the issues relating to collection, usage, and
	disclosure of Personal Data.
6. Data Processor	Means a natural person or a juristic person who operates in
	relation to the collection, use, or disclosure of the Personal
	Data pursuant to the orders given by or on behalf of a Data
	Controller.
7. Website	Means website which the Company owns or provides services.

2. Categories of Personal Data collected by the Company

Categories	Details

Link to Third Parties Website Disclaimer

The Company's website may contain links to other websites owned by outside persons, and such persons may collect your data. The Company cannot be responsible for the safety and security of any Personal Data collected by other websites. You should examine the privacy policy of the websites and goods and services offered by such websites with utmost scrutiny.

8. The Rights of Data Subject

As a Data Subject, you have the rights to request the Company to use your Personal Data within the scope of the laws as follows:

- 8.1 You have the right to access your Personal Data and the right to request for a copy of your Personal Data being controlled by the Company or request the Company to inform any acquisitions of Personal Data in which consent has not been given;
- 8.2 You have the right to amend your Personal Data to make the information accurate, up-todate, and not misleading. In the case where you foresee that such data is inaccurate, outdated, incomplete, or may cause misunderstanding;
- 8.3 You have the right to withdraw your consent given to the Company for the purpose of collecting, using, and disclosing your Personal Data at any moment, except in the case where such withdrawal is limited by the law, or a contract which benefits you, such as in the case where you are the Company's debtor or bound by any legal obligations towards the Company. In any case, your withdrawal of consent may make it impossible for you to receive services or engage in transactions with the Company, or may reduce the efficiency of the services to be received from the Company;
- 8.4 You have the right to receive the Personal Data concerning yourself from the Company. In which the Company shall arrange such Personal Data to be in the format which is readable or commonly used by ways of automatic tools or equipment and can be used or disclosed by automated means. You are also entitled to request the Company to send or transfer the Personal Data in such formats to other Data Controllers if it can be done by the automatic means or entitled to request to directly obtain the Personal Data in such formats that the Company sends or transfers to other Data Controllers unless it is impossible to do because of the technical circumstances;
- 8.5 You have the right to object the Processing of your Personal Data at any moment in the following cases:
 - (1) Such Personal Data is collected for the purpose of the Company's public tasks or for the Company's necessary legitimate interest;
 - (2) Such Personal Data is being used for the purpose of direct marketing; or
 - (3) Such Personal Data is being processed for the purpose of scientific, historic, or statistic study, except in the case where such Processing is done for the benefit of the Company's public task;
- 8.6 You have the right to request the Company to erase or destroy or anonymize Personal Data to be non-identifiable data in some cases;
- 8.7 You have the right to request the Company to temporarily restrict the use of your Personal Data in the following cases:
 - (1) Where the Company is in the process of investigating in accordance with your request to amend your Personal Data;
 - (2) When such Personal Data which shall be erased or destroyed because it has been unlawfully collected, used, and/or disclosed, but you request for restriction of the use instead;

	Document Name:	Privacy Policy for Customers	Page: 6

	Confidentiality	Public	Version: 1
	Level:		

- (3) When such Personal Data is no longer necessary for the Company to retain, but you have provided contrary intention for the Company to instead retain such data for the establishment, compliance, exercise or defense of legal claims; or
- (4) In the case where you exercise your right to object the Processing of data and the Company is conducting an investigation to comply with your request; or
- 8.8 You have the right to lodge a complaint to the Personal Data Protection Committee under the Personal Data Protection law in the case where the Company, its employees, employers, or the Data Processors violate or fail to comply with the Personal Data Protection Act B.E. 2562.

In any case, the Company reserves the right to consider whether to comply with your requests and conduct the procedures under the Personal Data Protection Act B.E. 2562. If you wish to exercise your rights, you may do by calling at 02 636 6999 ext.1210 or downloading the data subject request form from the Company website: www.humanica.com/th/pdpa/request-form

9. Data Security Measures in Storing Personal Data

The Company recognized the importance of maintaining the security of your Personal Data. Therefore, the Company has designated a proper security measure for protecting your Personal Data to prevent loss, access, destruction, usage, modification, correction, or disclosure by unauthorized persons in order to comply with the policy and/or code of conduct in maintaining the Company's information security.

The Company will organize a security measure for Personal Data, which encompasses management, technical, and physical measures in controlling the use of Personal Data. Such measures shall include at least the following conducts:

- 1) Implementing access control of the Personal Data and equipment used for storing and Processing Personal Data, with utmost consideration given to practical usage and security;
- 2) Determining permissions or right to access the Personal Data;
- 3) Managing the access of users in order to ensure that only authorized persons can access the Personal Data:
- 4) Establishing duties for users in order to prevent unauthorized access, disclosure, acknowledgement, or copy of Personal Data, including stealing of Personal Data storage equipment; and
- 5) Organizing a method for traceable access, modification, erasure, and transfer or Personal Data to be suitable for the methods and media under which the data has been collected, used, or disclosed.

10. Revision of Privacy Policy

This privacy policy is created for the purpose of informing details and methods to secure your Personal Data. The Company may occasionally partly or wholly modify this policy in accordance with changing laws, rules, and regulations. Thus, it is best that you keep yourself updated to any changes.

11. Contact Information

If you have any questions or wish to contact the Company for further information concerning the Processing of your Personal Data, including your rights as the data subject under this policy, or wish to report illegitimate use of your Personal Data, you may contact the Company via the following channels:
